CLINICAL CONGRESS 2023

OCTOBER 22-25 / BOSTON, MA

Boston Convention & Exhibition Center
IN PERSON AND VIRTUAL

Join us **October 22-25** for education, networking, and the latest surgical innovation you won't find anywhere else. Both **in-person** and **virtual** attendance options are available!

This year's Clinical Congress offers **outstanding educational opportunities** for every stage in your surgical career—all in one place. Learn from distinguished experts, hear about groundbreaking procedures and research, network with peers from around the globe, and **gain clinical and non-clinical knowledge and skills** that you can immediately put into practice.

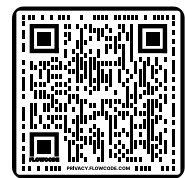

In-person attendees also will have access to on-demand content as part of their registration, and both in-person and virtual attendees have the opportunity to **claim AMA PRA Category 1 Credit™**, earn self-assessment credits, and meet other regulatory requirements.

Use this *Program Planner* to find sessions specific to your areas of interest, as well as details about registration, housing, and networking events.

The best surgical education is *all in one place*.
Join us in Boston or online.

Dear Colleagues,

It is our sincere pleasure to invite you and your surgical team to join us in Boston, October 22–25, for ACS Clinical Congress 2023 (#ACSCC23)! Boston, Massachusetts, is one of the oldest municipalities in the United States, known as a hub of history, art, culture, and innovation. It is home to renowned medical and educational institutions, which help support the Commonwealth's reputation as an international center of learning and intellectualism. Additionally, Boston's updated Convention Center and new hotels make it the perfect place to host our premier surgical meeting.

Congress will be held this year from Sunday through Wednesday. We recognize the significant constraints on your time, so we've been able to create a new footprint that brings you all of the high-quality, innovative content that you've come to expect over 4 days, rather than 4.5 days. We want to ensure that every hour you spend at an ACS meeting adds value and that we are efficient and strategic with your time.

Clinical Congress annually brings together world-renowned experts in the clinical practice of surgery, as well as leaders in surgical education, research, and technology. In addition to a broad range of outstanding hands-on and didactic learning opportunities and timely discourse on relevant surgical topics, you'll also have unparalleled access to our peers. There is a strength that comes with engaging with colleagues who have a shared experience, and Clinical Congress offers that opportunity.

This year's theme is "Surgeons United," reflecting the various pathways that we have traveled during our careers and the reaffirmation of our shared values. Our journeys are united by our common ideals that include quality, integrity, and professionalism, as well as the ACS motto "To Heal All with Skill and Trust."

As you look through the pages of this program, you will see a vast array of essential educational content to meet the needs of all surgeons in all career stages, in all practice settings, and in all surgical specialties. We are especially excited about this year's Named Lectures and key events, which are highlighted on pages 4–7, as well as Taste of the City, the last event of the meeting, which will be held Wednesday night and is free for all registrants and their family members.

We would like to thank members of the Program Committee (listed on the previous page), under the leadership of Fabrizio Michelassi, MD, FACS, MAMSE, for their dedication and commitment to developing offerings that address critical education and training needs and equip surgeons with skills to achieve the best outcomes in the ever-changing healthcare environment.

Continuing Medical Education (CME) and Self-Assessment Credit will be available for specifically designated sessions, and Certificates of Verification will be provided for Skills and Didactic Courses. Additionally, many sessions will address specific regulatory mandates for state licensure and ACS Accreditation and Verification Programs. Please check our website at facs.org/clincon2023 for more information, as well as links for housing and the online program planner, which will be continuously updated with the latest information about the meeting.

On behalf of the American College of Surgeons, we look forward to seeing you in Boston!

E. Christopher Ellison, MD, FACS, MAMSE, *President*; **Timothy J. Eberlein**, MD, FACS, MAMSE, *Chair, Board of Regents*; and **Patricia L. Turner**, MD, MBA, FACS, *Executive Director & CEO*

Convocation

Sunday, October 22 | 6:00-8:00 pm

The Convocation Ceremony confers Fellowship upon surgeons who have successfully met requirements that reflect their education and training and commit to the ACS oath "To Heal All with Skill and Trust." The ceremony also includes recognition of the Honorary Fellows, presentation of the Distinguished Service Award, installation of the ACS Officers, and the Presidential Address.

All Initiates must register for Clinical Congress if planning to participate in the Convocation Ceremony. ACS welcomes family members of Initiates to attend the Convocation Ceremony and share in this celebration; their advance registration is not required.

Opening Ceremony

Monday, October 23 | 8:00-9:00 am

The Opening Ceremony starts with the unveiling of the incoming ACS President's theme for the year. The President presides and introduces the Honorary Fellows, the recipient of the Distinguished Philanthropist Award, Past-Presidents, College Officers and Regents, special invited guests from national and international healthcare organizations, the Resident Research Scholars, and the International Guest Scholars. An annual overview of the College will be reported by the Executive Director. The Martin Memorial Lecture, sponsored by the American Urological Association, follows immediately.

Exhibit Hall

Monday-Wednesday, October 23-25 | 9:00 am-4:30 pm

Engage face-to-face with industry leaders and learn first-hand about surgical products and services being introduced into the market. The Clinical Congress Exhibit Hall offers the optimal place to learn, analyze, and compare surgical devices and products from more than 125 companies.

The popular ACS Surgical Ergonomics Hands-On Clinic and Surgical Metrics Project also will be located in the Exhibit Hall, as will ACS Central, offering exclusive ACS merchandise, special member benefits, the ability to engage with staff, and a free professional headshot studio.

History of Surgery Poster Sessions

Monday-Wednesday, October 23-25 | 9:45 am-4:30 pm

The History of Surgery Poster Sessions will highlight the rich history of surgery. Posters will be presented by Fellows, residents, and medical students. These posters will be on display Monday, October 23, through Wednesday, October 25. Presentations and judging will take place Monday, October 23, 9:00 am-12:00 pm. The winning poster and runner-up will be announced during the ACS History of Surgery Community Breakfast on Tuesday, October 24, 7:00-8:30 am.

The Great Debates: Biliary and Hernia

Tuesday, October 24 | 8:00-9:30 am

This pro/con debate will cover two common topics faced by general surgeons. The first will debate percutaneous cholecystostomy versus cholecystectomy for acute cholecystitis, and the second will cover open versus minimally invasive surgery (MIS) repair for inguinal hernia.

Ten Hot Topics in General Surgery

Wednesday, October 25 | 12:45-2:15 pm

ACS President E. Christopher Ellison, MD, FACS, MAMSE, and Regent Kenneth W. Sharp, MD, FACS, MAMSE, moderate the wide-ranging, rapid-fire session that will highlight important topics for general surgeons, including clinical advances, practice management, career growth, and more.

Annual Business Meeting of Members

Wednesday, October 25 | 4:15-5:15 pm

All ACS members are invited to attend and hear:

- Reports from the Chair of the Board of Regents, Chair of the Board of Governors, Executive Director, and ACSPA-SurgeonsPAC Board Chair
- Presentation of the Resident Award for Exemplary Teaching and Julius H. Jacobson II Promising Investigator Award
- Reports of the Nominating Committee of the Board of Governors and the Nominating Committee of the Fellows, and introduction of the President-Elect

Taste of the City

Wednesday, October 25 | 5:30-7:30 pm

An annual highlight of Clinical Congress is Taste of the City, where attendees can sample the cuisine and culture of the host location, while networking with colleagues. All attendees and their family members are invited to this complimentary event, which is intended to close out their Clinical Congress experience on a celebratory note.

Registration is not required for Taste of the City, and casual dress is encouraged.

Postgraduate Courses Information

All Postgraduate (PG) Courses (Didactic and Skills) are *ticketed* and require a separate fee in addition to registering for the meeting (required). Participation is limited and seats are filled on a first-come, first-processed basis. *Note:* No refund requests for PG Course fees will be accepted after September 29, 2023.

Most of the Postgraduate Courses will have two parts. Part 1 will consist of virtual study materials provided to registrants prior to the Part 2 in-person course presented onsite. A few Postgraduate Courses will use a three-part model that includes an additional interactive participant and faculty discussion held via Zoom a few weeks after the course. The use of a Part 3 in 2023 will be limited to the courses for which this approach proved valuable to faculty and learners in 2022.

AMA PRA Category 1 Credit™ for PG Courses may be claimed after completing all requisite parts of a course. To claim CME Credits, participants must complete the course evaluation, complete the global evaluation, and attest to having completed each required component of the course.

Postgraduate Course Fee Categories

Fellow/Associate Fellow	A surgeon who is a Fellow or Associate Fellow of the American College of Surgeons
Guest Physician	A practicing physician who is not currently a member of the ACS
Resident	Any verified resident. Registering for Clinical Congress grants automatic membership to verified residents and medical students.

ACS System for Verification of Knowledge and Skills

The ACS Board of Regents has approved a five-level model for verification and documentation of knowledge and skills by the Division of Education, following participation in the educational programs of the College. This model provides a framework for designing and implementing educational courses based on principles of contemporary surgical education and permits a provision of appropriate documentation to the attendees. The courses offered at Clinical Congress have been assigned verification levels of I, II, or III, based on the requirements for each level.

Level	Verification of	Requirement(s)
Level I	Attendance	Affirmation of attendance/course ticket and course evaluation
Level II	Satisfactory completion of course objectives	Use of pre- and posttest* and course evaluation
Level III	Knowledge and skills	Formal assessment through pre- and posttest* and skills report card; course evaluation
Level IV	Preceptor experience	<i>Not available at Clinical Congress</i>
Level V	Satisfactory patient outcomes	<i>Not available at Clinical Congress</i>

*A passing score of 75% or higher is required on the posttest.

All Postgraduate Courses with a designated verification level of II and III have a self-assessment component. All requirements of these Postgraduate Courses must be completed in order to receive AMA PRA Category 1 Credit™ and count for Self-Assessment Credit toward Part 2 of the Maintenance of Certification (MOC) Program. For American Board of Surgery (ABS) Diplomates, the MOC Part 2 requirement applies to those who have not yet completed the first ABS Continuous Certification Program Assessment Exam. Please refer to the online program and session descriptions to confirm.

Clinical Congress is a scientific and educational meeting that shall be held at the time and place of the Annual Business Meeting of the Members and include Convocation (ACS Bylaws, Article VIII, Section 2).

The purpose of Clinical Congress is to keep ACS Members and interested non-Fellow physicians abreast of the current status of the art and science of surgery. To accomplish its purpose, Clinical Congress offers a highly diversified program of continuing education in all specialties of surgery and in important fields of science, socioeconomics, and medical education. It holds the preeminent place among all College activities designed to raise the standards of surgical practice and improve the care of the surgical patient.

The entire program presented at this meeting includes physicians drawn from various specialties. The sessions are designed to present a variety of viewpoints on matters of particular interest to those for whom the session is primarily intended and to stress the need for understanding and cooperation among the specialties.

Goal

Clinical Congress is designed to provide individuals with a wide range of learning opportunities, activities, and experiences that will match their educational and professional development needs.

Objectives

By the conclusion of Clinical Congress, participants should be able to:

- Apply new knowledge and ideas to improve their surgical practice
- Adapt concepts and quality measures in support of research advancements
- Enhance the quality of patient care

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credit™

The American College of Surgeons designates this In-Person (Live and On-Demand) activity for a maximum of **222.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Surgeons designates this Other (Live-Streaming and On-Demand) activity for a maximum of **182.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME Credit Claiming

Onsite claiming of credit for nonticketed sessions will be available at the MyCME booth and kiosks located throughout the Boston Convention Center & Exhibition Center.

- ▶ **Claims for CME credit for this event will be accepted upon completion of the Clinical Congress Global Evaluation.**

Claims for CME credit will be accepted until **May 1, 2024**.

Residents and allied health professionals are eligible for a Certificate of Completion.

Self-Assessment Credit

Self-assessment credit will be available for selected panel sessions and all Postgraduate Courses. The process of

earning self-assessment credit is voluntary and not a prerequisite to claiming CME credit.

Self-assessment credit counts toward American Board of Surgery (ABS) Maintenance of Certification (MOC) Part 2. For ABS Diplomates, MOC Part 2 requirement applies to those who have not yet completed the first ABS Continuous Certification Program Assessment Exam. Please refer to the online program and session descriptions to confirm. Participants are strongly encouraged to complete their self-assessment posttest as soon after attendance as possible. The final deadline is May 1, 2024.

Credit to Address ACS Accreditation/ Verification Requirements

Institutions that are accredited or verified by the American College of Surgeons require staff to earn credits in order to meet compliance and site survey requirements in applicable content areas:

- Bariatric Surgery (MBS)
- Breast (BST)
- Cancer (C)
- Children's Surgery (CSV)
- Emergency General Surgery (EGS-VP)
- Geriatric (GER)
- Rectal Cancer (NAPRC)
- Trauma (T)
- Vascular (VP)

Clinical Congress sessions that include this content are designated as Credit to Address ACS Accreditation/ Verification Requirements. These specific content designations, where applicable, are included after each session title using the abbreviations listed above. When claiming CME credit for these sessions, individuals can elect to include the Credit to Address ACS Accreditation/ Verification Requirements, and it will be documented as part of their Clinical Congress transcript. Individuals must check with their institution's office to verify that the content does meet the specific requirements.

Credit to Address Regulatory Mandates

Certain state licensing boards have established specific content requirements for CME credit. State requirements may include:

- Behavioral Health (BH)
- Cultural Competency (CC)
- Domestic Violence (DomVio)
- End of Life Care (EoLC)
- Ethics (E)
- Opioid/Pain Management (OPM)
- Palliative Care (PA)
- Patient Safety (PtS)
- Risk Management (RM)
- Suicide (Sui)

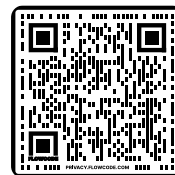

Clinical Congress sessions that may address state-specific content are designated as Credit to Address Regulatory Mandates using the abbreviations listed above. When claiming CME credit for these sessions, individuals can elect to include the Credit to Address Regulatory Mandates, and it will be documented as part of one's CME Certificate and Clinical Congress Transcript. Individuals must check with their state medical board to verify that the content does meet the specific requirements.

Visa Information

International Fellows, guest physicians, and meeting attendees: The process of obtaining a visa to attend meetings in the US currently takes much longer than in prior years. You are strongly urged to apply for a visa as early as possible, preferably at least 90 days before the start of the meeting. For detailed information regarding obtaining a visa, visit <https://travel.state.gov/content/travel/en/us-visas.html>. For information regarding the Visa Waiver Program (VWP), visit <https://travel.state.gov/content/travel/en/us-visas/tourism-visit/visa-waiver-program.html>.

You may request a letter from the College welcoming you to the meeting when you register or by emailing clinconreg@facs.org.

Affiliate Group Functions

Groups planning a social function or business meeting to be held in conjunction with Clinical Congress are required to obtain approval. If events are to be held at one of the participating venues/hotels, affiliate groups are required to secure event space through ACS. For more information and to request function space, visit https://s6.goeshow.com/acs/cc/2023/ancillary_submission_form.cfm for the online request form or contact Julianna Theberge at jtheberge@facs.org. Space assignments are made on a first-come, first-processed basis.

Shuttle Bus Service

Complimentary shuttle bus service will be provided for all registrants at regular intervals between the Boston Convention & Exhibition Center and most designated ACS Clinical Congress hotels. For a list of hotels on the shuttle route, please refer to the Housing Information section.

Prayer Room

A prayer room will be available at the Boston Convention & Exhibition Center during the meeting and open during registration hours. The room location will be confirmed in onsite navigational materials.

Lactation Room

A lactation room will be available at the Boston Convention & Exhibition Center during the meeting. The room location will be confirmed in onsite navigational materials.

Child Policy

- Children ages 1 year to 15 years are not permitted in the scientific sessions. Childcare services must be utilized.
- Infants younger than 1 year of age are allowed in sessions when carried by a parent or guardian.
- Guardians are asked to be mindful of the sessions and maintain a professional and disturbance-free environment at all times, including immediately stepping out of session rooms if an infant becomes fussy.
- Children are **never** permitted in the Exhibit Hall.

Childcare Services

The American College of Surgeons will offer Camp ACS, an onsite childcare/children's program in Boston. The service will include activities such as arts and crafts and active games. Camp ACS, which is offered to registrants' children ages 6 months through 17 years, will be conveniently located at the Boston Convention & Exhibition Center and offered 7:30 am–10:00 pm, Sunday, October 22, through Wednesday, October 25.

Little Medical School

Little Medical School is an educational enrichment program prepared by board-certified physicians and educators that allows children the opportunity to explore the world of medicine, science, and health in an engaging and fun way. Available for children 2 years and older, this optional programming is offered as an add-on to Camp ACS. The program will be held at the Boston Convention & Exhibition Center on Monday, October 23, 9:00 am–12:00 pm, and is supervised by a licensed childcare provider.

Registration Information

Who should attend and what's included?

Registration is open to all physicians and individuals in the healthcare field and includes entrance to the exhibits and all sessions*, other than Postgraduate Courses (fees listed on pages 10-11) and Meet-the-Expert sessions, which are ticketed and require a \$25 fee. To review the full registration policies and register, please visit facs.org/clincon2023.

*The following sessions are included with your registration for the in-person Clinical Congress and are not ticketed:

- Named Lectures
- Panel Sessions
- Scientific Posters
- Scientific Forum
- Town Hall Meetings
- Video-Based Education Sessions

Registering for these sessions does not guarantee seating, which is provided on a first-come, first-served basis until the meeting room is full. Registering for the in-person meeting includes access to all the virtual content.

In-person attendees are able to experience the onsite program and may also register for Postgraduate Courses if availability permits. They also will have access to the livestreamed Convocation, Opening Ceremony, Martin Memorial Lecture and three selected sessions as well as all on-demand recordings, which will be available within an hour after being presented.

Virtual attendees will have access to selected livestreamed and on-demand content. Please see facs.org/clincon2023 for a full list of available sessions.

All attendees have the opportunity to claim more than 100 AMA PRA Category 1 Credits™, earn self-assessment credits, and meet other regulatory requirements through May 1, 2024.

CLINICAL CONGRESS 2023

OCTOBER 22-25 / BOSTON, MA

Boston Convention & Exhibition Center

IN PERSON AND VIRTUAL

Commercial representatives may obtain the commercial registration form by emailing a request to clinconreg@facs.org.

^Please see this list for country income status as advised by the World Bank: <https://datahelpdesk.worldbank.org/knowledgebase/articles/906519-world-bankcountry-and-lending-groups>.

*A Retired ACS Fellow is an individual who has notified the College, meets the ACS definition of Retired, has been granted Retired status, and is officially listed in the ACS database as Retired. The ACS definition of a Retired member is a surgeon who is not in the active practice of providing surgical or nonsurgical patient care, participating in funded research, or performing compensated teaching or administrative duties. Questions about Retired member status should be directed to dues@facs.org.

**All nonmembers who pay the applicable Clinical Congress registration fees will have their membership application fees waived if they apply for American College of Surgeons membership onsite at Clinical Congress.

†A nonmember Resident or Medical Student registering for Clinical Congress will be granted automatic membership in the American College of Surgeons. Application fees will be waived if appropriate documentation is supplied verifying Resident or Medical Student status.

Guest Registration

***Guest registration is meant for nonmedical attendees only. All Guest registrants must be accompanied by a Clinical Congress registrant of another category. The Guest fee entitles the recipient to attend scientific sessions, view the technical and scientific exhibits, and use the shuttle bus service. Guests are not eligible to attend postgraduate courses or Meet-the-Expert sessions, nor are they eligible for CME credits or Certificates of Attendance.

ACS Leadership Accommodations

The following housing procedures apply to all Clinical Congress general registrants. If you are a Regent, Officer, Past Officer, Advisory Council Chair, Governor, Distinguished Service Award Recipient, Special Invited Guest, or Standing Committee Chair and are hoping to reserve a room at the Omni Seaport or Westin Boston Seaport, please use the special housing link sent to you. Please contact meetingservices@facs.org with any questions.

Suite Raffle

To thank you for booking your reservation through onPeak in the official housing block, you will be entered in a raffle to win an upgrade to a one-bedroom suite, valid for reservations for dates of stay that include October 21–25. Your reservation must be made by September 25 in order to qualify for the raffle. Winner(s) will be notified via email by October 10.

Housing Procedures

Reservation requests will be processed on a first-come, first-served basis and must be received by 3:00 pm CT on Monday, October 2. Requests received after this deadline, or after the room blocks are filled, are subject to rate and space availability. Housing requests can be made using one of the following options:

- Online at <https://compass.onpeak.com/e/012605537/>. The online reservation service is available 24 hours a day, 7 days a week.
- Call onPeak at 855-906-4456 (within US only) or 312-527-7300 between the hours of 8:00 am and 5:00 pm CT, Monday through Friday.

If you do not receive acknowledgment of your reservation request within 72 hours, please contact onPeak via email at acs@onpeak.com or at the numbers indicated above. Please verify your acknowledgment for accuracy as it will be the only confirmation you will receive.

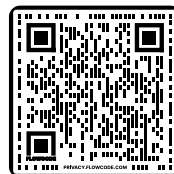

Deposit Requirements

All reservations will require a credit card (American Express, VISA, or MasterCard) for arrival guarantee purposes only. A deposit is not required, and credit cards will not be charged at the time the reservation is made. Credit cards will be charged directly by the hotel only if your reservation is canceled within 72 hours of arrival or in accordance with your hotel's cancellation policy as noted on your confirmation.

Changes and Cancellations

Reservation changes and/or cancellations should be made with onPeak until Monday, October 16, at 4:00 pm CT. Beginning October 17, contact the hotel directly with any changes and ask for a confirmation number if canceling your reservation. A cancellation penalty of one night's room and tax will be charged for reservations canceled within 72 hours of arrival date or in accordance with your hotel's cancellation policy as noted on your reservation confirmation.
