Troubleshooting

- If you are unable to set a new password, you may have duplicate accounts with us that share the same email address. Please contact atls@facs.org for assistance.
- If you have an ACS Member account but cannot log in to the Faculty Portal with those credentials, you may have a separate ATLS account. Please contact atls@facs.org for assistance with merging those accounts.
- If you log in and do not see ATLS 10th Edition Course Materials for Faculty, you may not be updated to the 10th edition. Please contact atls@facs.org for assistance
