

Medical Student Toolkit Presenter Guide

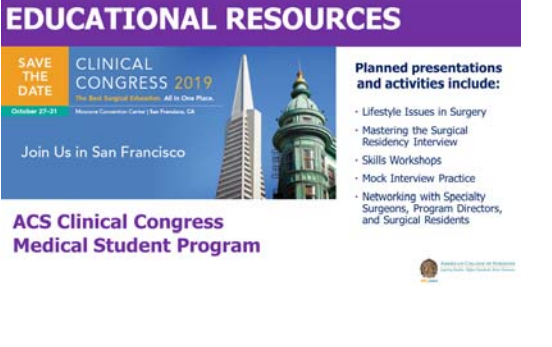

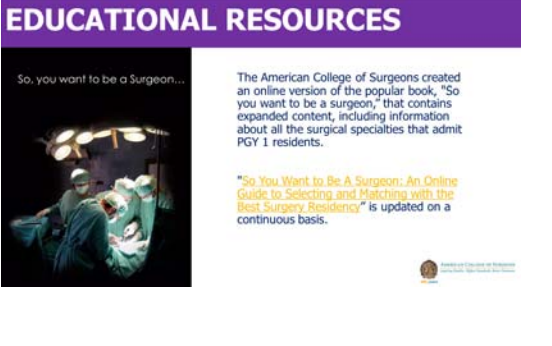

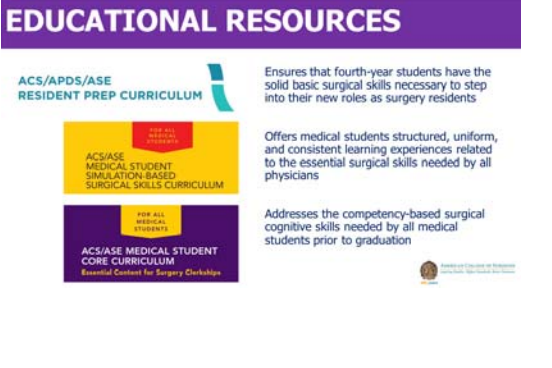

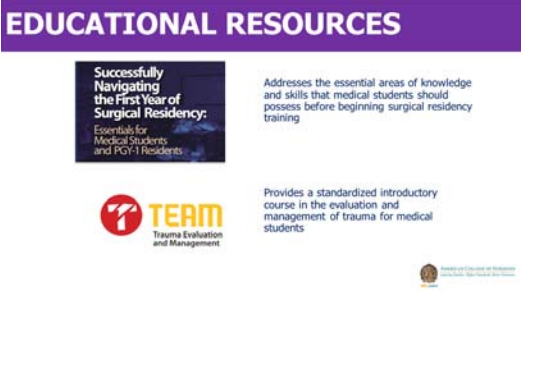

Please be sure to review the PowerPoint before your presentation. The following outline of the presentation with additional detailed points is included to assist you with any questions medical students may have. There are hyperlinks throughout the presentation that direct you to ACS webpages providing more detail about each slide.

We encourage you to take some time to review each link and resource offered in order to familiarize yourself with ACS membership benefits.

| <p>Slide 14</p> | <p>ADVOCACY</p> <p>The ACS is the largest and most comprehensive voice for all surgeons.</p> <p>Advocacy is an important part of <i>your</i> future career.</p> <p>It's important to advocate for <i>your</i> profession and future patients.</p>   | <p>The College is the largest and most comprehensive voice for all surgeons.</p> <p>The American College of Surgeons (ACS) advocacy activities at the federal and state level represent the interests of surgeons and patients.</p> <p>We liaise with Congress and federal agencies—including Centers for Medicare & Medicaid Services and Health and Human Services—on important matters to the surgical profession.</p> |
| <p>Slide 15</p> | <p>LEADERSHIP & ADVOCACY SUMMIT</p>  <p>WASHINGTON, DC March 28-31, 2020 ▶ Save the Date!</p> <p>“Through my participation at the ACS Leadership Summit, I have become more knowledgeable about the various ways that surgeons across the country are serving as leaders and making a significant impact within the medical community.”</p> <p>Adrian Miller Beckman Texas A&M College of Medicine 100 Campbell, College of 2020</p> <p>Access the ACS Medical Student's Guide to Advocacy to learn more about getting involved in advocacy!</p>  | <p>Leadership Summit: The Summit is a dual meeting offering comprehensive and specialized sessions that provides ACS members, leaders and advocates with topics focused on effective surgeon leadership</p> <p>The ACS Committee on Medical Student Education’s medical student-led Student Resource Task Force has developed modules, with a specific focus on surgery, to address some of the questions that typically arise during medical school.</p> <ul style="list-style-type: none"> Medical Students Guide to Advocacy provides an outline on how students can get involved in advocacy to make their voices heard |
| <p>Slide 16</p> | <p>Did you know...</p>  <p>...that the #1 way to get a job (or a recommendation) is to network?</p>  | |
| <p>Slide 17</p> | <p>NETWORKING</p> <p>“I firmly believe one’s professional and personal lives are shaped more by the people we meet and know and work with, and less by one’s individual accomplishments and accolades. The American College of Surgeons has introduced me to members of a community who have great faith and trust in capable surgeons, and who are personally invested in our education and success. The dialogue among students with senior residents, clinicians, and even agencies has made negotiating complex situations for education more enjoyable than I could have anticipated.”</p> <p>—Felina Egeonon, St. George’s University School of Medicine, Wayne, NJ</p> <p>Join: Local ACS Chapter Surgery Interest Group Directory Medical Student Community RAS-ACS Hangouts ACS Committees</p> <p>Attend: Clinical Congress Leadership & Advocacy Summit Local ACS Chapter Meetings</p>  | <p>Chapters: Join your local ACS chapter and attend local ACS chapter meetings to build connections with ACS Fellows and leaders in your area</p> <p>SIG Directory: Share your contact information to increase your groups visibility and connect with other groups in your area</p> <p>Community and Hangouts: Connect with ACS Fellow, Residents, and Associates through these platforms that allow students to ask questions and share experiences.</p> <p>ACS Committees: Medical Students hold positions in the ACS Medical Student Education Committee and the ACS Women in Surgery Committee.</p> |
