

MEDICAL MINUTIAE Scoreboard

AMERICAN COLLEGE OF SURGEONS
Inspiring Quality:
Highest Standards, Better Outcomes

100+ years

To use the scoreboard, print and provide a copy to each participating team. The assigned score keeper should mark when their team gains and loses points for each category.

Alternatively, you may want to use a whiteboard to keep track of scores and make them visible to all players.

MEDICAL MINUTIAE ROUND 1

	“Light” Lytes	Surgery Mnemonics	Honor Thy Elderly	Presidential Operations	Patient Presents
	100	100	100	100	100
	200	200	200	200	200
	300	300	300	300	300
	400	400	400	400	400
	500	500	500	500	500
TOTAL					

To keep track of points for each category, add a plus or minus sign before the point values of each question.

+ Points Gained
 - Points Lost

Simply cross out the values for questions that your team did not have a chance to answer.
