

AEI Consortium Abstracts Since 2008
Abstracts By Research Category - Education

Please note, TBD=To Be Determined and NA=Not Available

Abstract Type Key: Descriptive, NA, Non-AEI, Original, Research Idea and Work in Progress (2008-2017);
 Innovative Techniques, Original Paper and Poster Presentation (2018-Current)

Abstract Year	Abstract Title	Type of Abstract	Multi-Institutional Study	Manuscript Published in Surgery	Last Name	First Name	Credentials	Institute	Education	Categories of Research							
										Curriculum Development	Teaching Methods	Learner Evaluations	Program Evaluations	Patient Safety	Surgical Outcomes	Investigation	In-Development
AEI2009	\$500 REWARD: What Millennial Surgery Residents Will Do for a Buck	Work In Progress	no	no	Farley	David	MD, FACS	Mayo Clinic Rochester	X								
AEI2009	A Model for Strengthening Faculty Teaching Effectiveness in a Skills Laboratory	NA	no	no	DaRosa	Debra	PhD	Northwestern University	X								
AEI2009	A Novel 3D Video Telemedicine System for Education	NA	no	no	Reihsen	Troy		University of Minnesota/SimPORTAL	X								
AEI2009	A Six-part Program for Teamwork Improvement in Surgery	Work In Progress	yes	no	Cooper	Jeffrey	PhD	Center for Medical Simulation	X								
AEI2009	Advanced Trauma Operative Management Course: An Exemplar of Simulation Education Scenario Development	NA	no	no	Jacobs, Jr.	Lenworth	MD, MPH, FACS	Hartford Hospital	X								
AEI2009	Critical Response Simulations: Works in Progress	NA	no	no	Chipman	Jeffrey	MD, FACS	University of Minnesota/SimPORTAL	X								
AEI2009	Healthcare Teams Typology	NA	no	no	Andreatta	Pamela	EdD, MFA, MA	University of Michigan	X								
AEI2009	Interprofessional Education: Simulation-based Mass Casualty Exercise	Descriptive	no	no	Wiatrek	Rebecca	MD	Texas A&M / Scott and White	X								
AEI2009	Introducing team training and crisis management in the surgical residency program.	NA	no	no	Grewal	Harsh	MD, FACS	Temple University Hospital	X								
AEI2009	Lessons Learned from 10-year Experience with Postgraduate Courses for Surgeons	NA	no	no	Stefanidis	Dimitrios	MD, PhD, FACS	Carolinas Healthcare System	X								
AEI2009	Lower Gastrointestinal Endoscopy Simulation Training in a Surgical Skills Training Curriculum	NA	no	no	El Youssef	Raphael	MBBS	VirtuOHSU	X								
AEI2009	Organization of a curriculum Designed to Transfer Learning from skills Lab to Bedside	NA	no	no	DaRosa	Debra	PhD	Northwestern University	X								
AEI2009	Phantom-Based Curriculum for Basics of Interventional Ultrasound	NA	no	no	Cannon	Todd		University of Washington/ISIS	X								
AEI2009	PROBLEM BASED LEARNING (PBL) WITH SUPPLEMENTAL INTERACTIVE MEDICAL MULTIMEDIA (PBL-SIMM)	NA	no	no	Mickelson	Dayne		University of Washington/ISIS	X								
AEI2009	Toward "High Stakes" Certification in Central Line Placement: Construct Validation of a Central Line Workshop Performance Metrics	NA	no	no	Dong	Yue		Mayo Clinic Rochester	NA							NA	NA
AEI2009	Using a 24/7 Audiovisual System to Create a Dynamic Surgical Curriculum and Assess Learners for Competency	Work In Progress	no	no	Farley	David	MD, FACS	Mayo Clinic Rochester	X								
AEI2009	Workshop Using Standardized Patients to Evaluate the Communication Skills of Surgical Residents.	NA	no	no	Lieberman	Sender		McGill University	X
